The Honourable Tom Christensen  
Minister of Children and Family Development  
P.O. Box 9057 Stn Prov Govt  
Victoria, B.C.  
V8W 9E2

Dear Minister Christensen:

I work for the Community Living Society, a non-profit organization funded by the Ministry for Children and Family Development. The Society has provided services to individuals with disabilities for over 25 years. I take pride in my contribution to the lives of those I support, our Society and community.

I am a non-union worker who works hard to provide valuable services, keeping those we support safe and healthy and I feel as though I am being punished for my choice. I contribute to the success of the province doing the same valuable work as those who are unionized. After the success of your government's union negotiations earlier this year, Minister Taylor promised that non-union workers would be recognized for their contribution to the economy. I write to ask when will I receive my bonus, and wage increases from April 1, 2006 and ongoing?

I ask only to be treated fairly and equitably and not to be discriminated against because I have chosen not to join a union. Please take action now to assure me that I am not forgotten by approving a compensation plan in line with that given unionized employees in community living.

Yours truly,
